Foreword

To impress upon the students of Thomas Jefferson that theirs is a heritage as inspiring and deep-rooted as that of an older school is the aim of our 1940 MONTICELLO. We are conscious that the growth and importance of our school have been attained only by the cooperation, loyalty, and service of those who have striven in the past decade to make Thomas Jefferson a model high school.

Ten years ago 4100 West Grace Street was an overgrown lot "somewhere out in west Richmond." Today it is the site of one of the most beautiful and well equipped schools in the state. Since its opening in September, nineteen hundred thirty, its faculty and student bodies have not been idle. Each year has seen some invaluable addition to Thomas Jefferson, whether in the form of an honor, a course, a gift, or a new activity. Its enrollment has grown from eight hundred in nineteen-hundred thirty to the present student body of two thousand, one hundred and five.

Graduates of Thomas Jefferson have been schooled not only in academic courses, but have had instilled in them the true spirit of our alma mater — loyalty, honor, and leadership.

To you we present the 1940 MONTICELLO in celebration of our "tin" anniversary — symbolic of a decade of progress.

SENIOR CLASS HISTORY

June 13, 1940

DEAR PAPA,

It's all over — all those wonderful high school days that I'll never see again. You just can't imagine, Papa, how grand it has been since that time when, as Sophomores, we chose Miss Helen Botto and Coleman McGehee to lead us. I was a "rat" then and used to make a complete circle of the hall only to find that my biology class was next door. And those high and mighty Seniors used to tower above me until I felt so small I seemed to crawl along the ground. Those were the days of my youth, Papa, days in which I learned to recognize my teachers and to make new friends.

Our class held a basketball tournament in the fall, Papa, for all the homerooms. We should have had that pretty red and white banner today if Big Ben Brown hadn't forgotten which goal he was aiming for. Do you know, Papa, he shot four points for the opposing team; so they beat us (We played much better!) by two points.

We finally forgave Big Ben when we remembered that he had blocked that John Marshall safety man that memorable day of November 20, 1937, to give T. J. its first victory over J. M.

We returned in our junior year to elect Seymour Harris president of a class already grown a foot in height and two feet in mental capacity. Under the guidance of our sponsor, Miss Botto, we presented our Junior Stunt Night entitled Aw Nuts. Then in the spring of 1939, although a wee bit bashful, the Juniors gave the Seniors a dance. Even the latter had to admit that both went over in high style.

Our junior year marked the first issue of T. J's. literary magazine, THE DECLARATION; and with the 1938 MONTICELLO winning the cup in Lexington, we decided that we were pretty good writers (Don't compare my letter with the works of our literary geniuses).

Early in 1939, as jubilant Seniors, with George Roper elected to lead us, (I felt like twenty-one when we had polls for the new voting system.) we presented our play, HEADED FOR EDEN. Papa, I was so excited when I got a telegram from Mr. Jesse L. Lasky asking me to sign a contract. After all that, it was just a joke. Imagine!

The outstanding high light of the year was our Christmas dance. You know, dear Papa, I didn't mind getting stuck with the football captain for four straight dances. He must have, though, because he didn't speak to me until I fell into Lake Ely with all my clothes on at our Senior picnic. Honestly, I didn't fall in on purpose just to have him save me, but, gee it was fun. (Now he speaks too).

After Senior Class Day, at which we willed our treasured possessions to the Juniors, came graduation. It was so sad. All of us marched down the aisles in our red caps and gowns to receive diplomas, while our mothers sat weeping. I wish you could have been there, Papa. Only I do hate to see men crying.

I can't believe I won't come back next year. I wish so much that I could be a Rat roaming the halls, or a grown-up Junior, or even a high and mighty Senior once again.

As graduates, we take with us fond memories to be relived and a desire always to reflect honor on the name of Thomas Jefferson.

Papa, my ink is low; so I will close.

Your loving daughter,

ELSIE

P. S. Will you please send this to Aunt Mary, Uncle Bert, Grandmother Louise, and Cousin Sue as I haven't time to copy it over.

JUNIOR CLASS OFFICERS

Hours may give Gene German, secretary, more time; but it's the minutes that count.

Miss Jordan's here;
Miss Jordan's there;
She's the sponsor
Who's everywhere.

The Vice-President, Bobby Pitt,
is the messenger boy,
For the Junior Class
finds him easy to employ.

The king is in the counting house
Counting up his money;
McClure is in the dog house;
His budget job's a honey.

President Moore does
some rapping
To keep the Juniors
from their napping.

JUNIOR WHO'S WHO

Selected from the entire Junior Class, the students pictured here are those whose personality, ability, service, and leadership have made them outstanding in the opinions of their classmates. From tentative nominations made in junior home rooms, a double slate is prepared by the Junior Class Council. These nominations are then returned to the home rooms. Choice for this recognition is considered an important honor, as it registers the affection and esteem of the whole class.

The Senate, the policy-forming body of the Student Participation Association, consists of eighteen members chosen from the three classes in elections similar to those held by the state. This body forms an important link in the chain joining faculty and student body.

Five seniors, five juniors, and one sophomore are elected to the Senate at the beginning of the year. The officers of the Association and the presidents of the classes are also members.

Organized in nineteen hundred thirty-five, the House of Representatives is a vital part of Student Participation, establishing contact between the organization and the home rooms. Membership consists of a representative from each home room. His duty is to bring to the meeting suggestions from the members of his room and to take back to them the plans made by the House and Senate. Many suggestions from the student body are brought to the House, which, after discussion by the

Five Years with STUDENT PARTICIPATION

When the Student Participation system was organized in Thomas Jefferson in 1935, it was the first organization of its kind in Richmond. There had been a growing need and desire to enable all the student body to participate in the government of the school.

The first step in the inauguration of the student government was the organization of honor study halls in 1934. In 1935 the first student council was elected. A constitution similar to that of the United States was drawn up providing for a bicameral council, a Senate and a House of Representatives, with senators elected from sections and representatives from the home rooms. Such committees as the Reception Committee, Recreation Hall Committee, Cafeteria Committee, and Traffic Committee were organized to cooperate with the Student Participation in carrying out its policies.

The basic idea for this form of government is to train students to become good citizens by practicing citizenship in the school. Every student has his own responsibility and is expected to do his own part towards improving student life. Those who have leadership qualities have a chance to develop them, and those who are timid or reserved are trained to bring out their best qualities and may have a voice in the government through their representatives.

This year, under the leadership of Miss Henna and Bill Lacy, the Student Participation has continued to be the center of school life in Thomas Jefferson. Every year its importance has increased, and today it is one of Thomas Jefferson's outstanding successes.

Five Years with THE CAFETERIA COMMITTEE

The Cafeteria Committee, organized in nineteen hundred thirty-five, is the largest committee sponsored by the Student Participation Association. In its five years of existence, it has increased steadily in size and efficiency. The combined membership of the Boys' and Girls' Committees now numbers over one hundred seventy-five. Because of this large membership, it is now possible to have three double shifts, each shift supervising the cafeteria every third week. The two executive chairmen of each recess, a boy and a girl, supervise the captains, who in turn assist the members of their groups. Each of the committees is chaired by

The work of the Cafeteria Committee has been of value to both the faculty and the student body. Faculty members are no longer required to lose part of their recess to oversee the students in the cafeteria. Many of the stu-

Four Years with THE RECREATION HALL COMMITTEE

Under the sponsorship of Miss Merle Gray, assisted by Miss Elizabeth Fleet and Miss La Rue Brandenburg, the Recreation Hall Committee today is one of the largest student participation organizations in operation. Continuing its four and one half years of work, the Recreation Hall Committee now has a group of one hundred twenty-five students serving on it. Their duty is to keep good order throughout the room by reminding students to keep the tables and floors clean.

There are twenty-five captains under a recess chairman, supervising

The recreation hall serves as a meeting place during both recesses. Here students gather to work and to discuss events of interest. It lives up to its name by forming a recreational place for the student body.

Ten Years with THE LIBRARY ASSISTANTS

The Library Assistants, organized in nineteen hundred thirty, sorted the first books ever to grace the library of Thomas Jefferson. Although no honors are received for the tasks done, the group ably assists the librarians in all the various steps taken to prepare a book for the shelves, to supervise the borrowing and returning of it, to mend it when this is needed, and to make it ready for post mortem when its use at Tee-Jay is ended.

The Bulletin Board and Library Committees, organized in nineteen hundred thirty-five, are two groups functioning under student participation. The former has the important duty of giving publicity to all school organizations and activities by means of notices and posters placed on our six bulletin boards. The Library Committee collects slips from each student entering the library, sees that the slips are filled out correctly, and helps generally to enforce the library regulations.

Five Years with THE HONOR STUDY CHAIRMEN

Organized as a further step in student self-government, the Honor Study Chairmen for five years have taken charge of the various honor study halls as student directors. In thirteen rooms these twenty-six boys and girls keep silence throughout the period, permit students to go to the library, sign O. K.'s, and see that the members observe the pledge of the honor study. This group is a great factor in advancing the cause of student participation.

Nine Years with THE JEFFERSONIAN LITERARY STAFF

Since nineteen hundred thirty-one, THE JEFFERSONIAN, published bi-weekly by members of the journalism classes with Mrs. Mears as the faculty adviser, has informed the students of sports and events in the clubs and home rooms, besides carrying special features, gossip, and humor. The staff, with its many editors sparing no efforts in their eagerness to produce an ever finer publication, works with the speed and the efficiency of a modern newspaper organization at press time. Although the literary staff receives more credit for the publication of the newspaper, the business staff may well be called "the power behind the throne," because it forms an all-important half of the successful newspaper organization, doing its routine work day by day without fanfare. This group gives the paper an efficient business management, which has done a great deal to make THE JEFFERSONIAN the success it is today.

The literary staff of THE MONTICELLO compiles an annual that is a lasting monument of the school year at Thomas Jefferson. This group collects pictures and facts, writes up the student activities, and designs the pages of our annual. THE MONTICELLO must be edited in such a way as to represent every phase of student life from the faculty and classes to athletics and clubs. Nine Years with THE MONTICELLO BUSINESS STAFF

Without the business staff THE MONTICELLO could not exist. Their duty is to secure and expend the money necessary for publishing a successful annual. The money is secured through the sale of yearbooks to the students and through advertisements from local business firms. Since the literary staff must govern the size and contents of the yearbook according to the amount of money collected, the business staff has a very important task.

club is always popular, particularly with the more intellectual students, and affords its members a very pleasant way of increasing their historical information. The club is interested not only in events of the past, but also in the affairs of today which will be the history of tomorrow. The most important events during the year are lectures by guest speakers on historical and current topics, and trips to many places of historical interest.

Four Years with THE CHEER LEADERS

The cheering squad was first organized by Mrs. Bennett in nineteen hundred thirty-six, and in nineteen hundred thirty-seven their direction was turned over to Miss Lipscomb. They strive to promote school spirit, good sportsmanship, and better understanding between the teams and the student body. Our vivacious cheer leaders have become a tradition at all games, and it is partly through their efforts that Thomas Jefferson has become known for fine school spirit.

Five Years with THE JEFF CLEF CLUB

The Jeff Clef Club, with Mrs. King as sponsor, was organized for musically inclined students. In 1936, because of Mrs. King's conflicting duties, the sponsorship was turned over to Miss Bryant. Members do not have to possess great musical talent, but must be very much interested in music. Programs consist of student performances and concerts by artists prominent in Richmond music circles. Outings and parties are a regular feature of the club's activities.

The advanced French classes, under the direction of their teacher, Miss Gill, organized La Petite Academie Francaise in nineteen hundred thirty-seven. The members, chosen from French five, six, seven, and eight, work together to learn more about France and to increase their knowledge of the language by conducting the meetings in French. The programs are planned by a council consisting of representatives from each advanced French class and presided over by the vice-president.

1939 FOOTBALL RESUME

THOMAS JEFFERSON 25—MORRISON 0

Thomas Jefferson made an impressive showing against Morrison in the opening game by defeating the Fighting Farmers twenty-five to nothing. Marvin Cardoza was the first to score in the second quarter, when he caught a pass from Floyd Bowles. He raced around left end on a reverse for his second touchdown. A forty-six yard pass from Floyd Bowles to Jack Causby was good for Tee Jay's third touchdown. With less than a minute to play, Floyd Bowles ran around left end to score the final touchown. His placement kick after the last touchdown was the only extra point scored.

THOMAS JEFFERSON 19—CREW 6

The second game of the season ended in a nineteen to six victory over Crew, a class B school. Floyd Bowles was the first to score when he ran thirty-four yards for a touchdown near the end of the first quarter. The score was tied in the third quarter when John Pond of the Rail-rodgers snatched a three-yard pass from Stuart Covington. During the fourth quarter Tee Jay's plays began to click. Marvin Cardoza crashed through right tackle to break

the tie, and a pass from Floyd Bowles to Harry Dawson was good for the extra point. Walter Delaney scored the final touchdown when he smashed over center from the three yard line.

THOMAS JEFFERSON 6—GLASS 13

The first game of the Virginia Literary and Athletic League opened with Tee Jay the underdog. We were beaten to the tune of thirteen to six by a team that outweighed us seven pounds to the man. The Jeffs were stunned to see Dodson of Glass run eighty-two yards on the kick off for a touchdown. During the second quarter our offense began to click, and Pinky Hargrave ended a fifty-four yard drive when he smashed over right tackle for a touchdown. This tied the score, but not for long. McLennan of Glass made a run around right end for a touchdown to make the score twelve to six. The extra point was good by a placement kick. We were in a scoring position during the fourth quarter, but a pass from Walter Delaney was intercepted by Gooden of Glass to end the threat. The Jeffs made ten first downs to the Hilltoppers' three, but first downs don't win football games. Twelve passes were attempted by the Jeffs, and eight were completed.

THOMAS JEFFERSON 0—HOPEWELL 7

Once again Tee Jay lost a "heartbreaker" to Hopewell and was thereby eliminated from the Virginia Literary and Athletic League championship. The game was one of many punts and passes, with few clicking. Tee Jay got to Hopewell's four yard line late in the second quarter after Erwin Baughan had passed thirty-five yards to Cardoza to put the ball on Hopewell's fifteen yard line. The Jeffs' march was broken when Ed Phelps intercepted a pass on Hopewell's two yard line. In the closing minutes of the game Ed Phelps went through center for a fifty yard dash and a touchdown. The kick by Clifton Hobb was good for the extra point.

THOMAS JEFFERSON 24—LANE 0

Thomas Jefferson closed its nineteen hundred thirty-nine season with a twenty-four to nothing victory over Lane High of Charlottesville. The game was played on a muddy field, but the Presidents were not the least bit troubled. Three of our backs, Paul Hall, "Pinky" Hargrave, Marvin Cardoza, and Jimmy Ransone, end, took turns in registering touchdowns in four different periods. In the last quarter the reserves went in and pushed over a touchdown with the longest gain of the day. All four attempts to convert an extra point failed. Lane fumbled away a chance to tie the score in the second quarter, after having marched down to Tee Jay's four-yard line. They had little chance to get within scoring distance again, as our line stopped every running attack on the slippery field.

THOMAS JEFFERSON 0—SAINT CHRISTOPHER'S 0

Thomas Jefferson played a hard fought game against a favored Saint Christopher's team. Our line out-charged their line and forced the Saints to an aerial attack. Saint Christopher's completed a pass which was good for a touchdown near the end of the fourth quarter, but it was called back because a back was in motion. The Jeffs successfully turned back three of the Saints' threats in the final quarter. Our lone threat came near the end of the second quarter. We took the ball on their forty-three and advanced to their twenty-yard line, where they got the ball on downs. Erwin Baughan, Bowles, and Gilman were our outstanding backs, while Tommy Winston, Ed Ralston, and Jimmy Ransone looked good in the line.

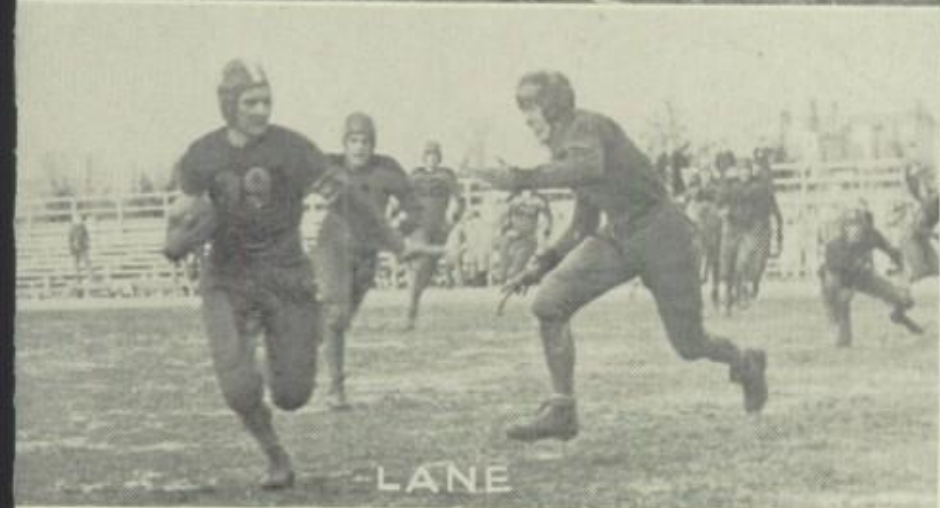

THOMAS JEFFERSON 0—JEFFERSON HIGH 13

In a blinding snowstorm the two Jeffersons battled it out, Jefferson High coming out with the long end of the score. Tee Jay outcharged the Roanoke team and rolled up yardage with apparent ease, but was unable to make a touchdown. Jefferson High's first touchdown came in the first quarter, when Deshazo threw a fifteen yard pass to Bob Tavener. Deshazo made the extra point on an end run. With less than a minute to play, Deshazo again slipped away on an off tackle play for an eighty-eight yard run and the final touchdown. Thomas Jefferson never gave a serious threat to the Roanoke team, but was able to roll up seven first downs to the Magicians' three.

THOMAS JEFFERSON 17—GRANBY 0

Thomas Jefferson broke its losing streak with a seventeen to nothing victory at the expense of Granby. Two touchdowns, two safeties, and one extra point gave us a total of seventeen points. Jimmy Ransone and John Hoke blocked a kick in the end zone for a safety in the opening minutes of the game. Granby kicked off and Hargrave returned the ball to Granby's forty-seven. On six plays Tee Jay scored a touchdown with Hargrave going over. Floyd Bowles kicked the extra point. A bad pass by Granby's center enabled Jack Causby to tackle their right guard behind the goal for another safety. Our "B" team scored the final touchdown in the last quarter. Calvin Marks passed to Jack Causby on the forty-five. Causby lateraled to John Kohler, who ran fifty-five yards down the sideline for a touchdown.

THOMAS JEFFERSON 6—PETERSBURG 13

Before a crowd of 5,000 spectators, Thomas Jefferson scored on the Crimson Wave for the second time in the history of the school. The Jeffs were turned back thirteen to six, but not before they had outplayed their opponents. Our line out-charged the Petersburg line by twenty-four yards, and four passes were completed by our team, one for a touchdown. All three of the game's touchdowns resulted from long passes, the Wave scoring in the first and third quarters and the Jeffs in the second.

THOMAS JEFFERSON 7—JOHN MARSHALL 0

Before a crowd of 14,000 spectators Thomas Jefferson defeated John Marshall at the city stadium for the second time in nine years. Tee Jay's touchdown came in the opening minutes of the game. The ball was on John Marshall's forty-five yard line when Paul Hall took it from center. He reversed to Bowles, who in turn reversed to Erwin Baughan. Erwin Baughan lateraled to Walter Delaney, who then threw a thirty-one yard pass to Jimmy Ransone. Jimmy went across the goal line standing up. "Blub" Bowles booted the pigskin between the uprights for a perfect extra point. Several times John Marshall threatened to score, but through the outstanding performance of our line we kept them from crossing our goal.

THOMAS JEFFERSON 0—HAMPTON 14

Tee Jay lost for the third consecutive time to a far superior Hampton team. Led by Fullback Nelson Fuller and a hard charging line, the Crabbers scored touchdowns in the first and fourth quarters and a safety in the third. Fuller made both touchdowns, the first from the fourteen yard line and the second from the two yard line. The safety was scored when Rip Crocker blocked a punt from Walter Delaney and the ball bounded back into the end zone. Hampton piled up nine first downs to our four. Although Tee Jay never threatened to score, Granger and Ransone turned in outstanding performances for Thomas Jefferson.

The Thomas Jefferson basketball team won its opening game of the year over Westhampton High. The first score of the game came when Cardoza sank a foul shot. It was quickly followed by a goal by Bill Hanson, giving the Jeffs a lead of three to nothing. At the half the score was fifteen to seven in favor of Bloxson's five. The Jeffersonians fought off a third-quarter rally by Westhampton to end the game on the long end of a twenty-two to eighteen score. Billy Smith and Cardoza played outstanding defensive ball for Tee Jay, while Bill Hanson led the scorers with eight points.

Thomas Jefferson 20—St. Christopher's 21

Thomas Jefferson lost the second game of its basketball season by a slim margin of one point. Both teams were rather sluggish in the first half, scoring only fifteen points. In the opening minutes of the second half, Saint Christopher's began to run the score up with a series of field goals, but the Presidents quickly followed with a rally in the fourth quarter, bringing their score within one point of that of the Saints.

Thomas Jefferson 7—Petersburg 23

For the first time since 1938 Thomas Jefferson was defeated by the Crimson

Wave of Petersburg. Petersburg took the lead three minutes after the opening gun when Bowman sank two field goals. The Jeffs were never able to head the Petersburg team. The closest that Tee Jay came to a deadlock was in the last quarter when Bill Hanson made three field goals to narrow the gap to six points. Bill Hanson led the scorers for us with seven points. Out of eleven foul tries we made only five good, while Petersburg made three out of seven tries.

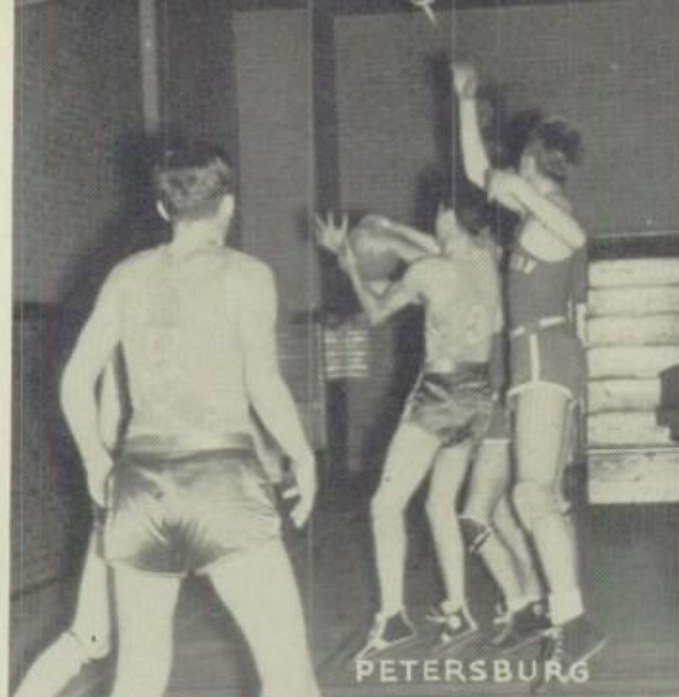

Thomas Jefferson 28—Maury 24

Thomas Jefferson made a clean sweep of its Tidwater invasion by defeating Maury twenty-eight to twenty-four. The Commodores led at the half eighteen to fourteen, but the Jeffs surged back in the third quarter to take

command after a scoring spree which netted them ten points. Maury made only three field goals in the second half, while the Presidents rang up fourteen points.

Thomas Jefferson 13 William and Mary Freshmen 32

Following two amazing upsets in defeating Granby and Maury High Schools over the week-end, the revamped lineup of Jeffersonians was defeated by the William and Mary Freshmen. The President five looked like midgets beside the six feet five Papooses from Williamsburg. Tee Jay supporters were thrilled to see our team hold a three to two lead over the crack college freshman team for a part of the first quarter. At the half, William and Mary led seventeen to six. Among the many

coaches present were Mac Pitt of Richmond, Dave Miller of John Marshall, and Eric Tipton of William and Mary.

Thomas Jefferson 23—Granby 22

Thomas Jefferson, though hampered by the loss of Jack Causby, Howard Scott, and Billy Smith, successfully began their invasion of the Tidewater section of Virginia. In a bitterly contested court battle the Thomas Jefferson quintet defeated the Blue Comets by a score of twenty-three to twenty-two. At the half the Jeffs were leading by two points, and they held their lead. Bill Hanson was the high-scorer for T. J. and Guy for Granby.

Thomas Jefferson 20—Benedictine 25

An eight-point rally in the fourth quarter after the Presidents had deadlocked the score at seventeen to seventeen gave Benedictine the victory by five points. The Cadets had a thirteen to six lead at the end of the half. Dyer broke the tie with a free shot in the opening minute of the fourth quarter. Kranitsky followed with a snowbird and a free throw to give the Cadets an impressive twenty-two to seventeen lead. Bill Hanson topped the Jeffs' scoring with six points.

BOYS' BASKETBALL

Thomas Jefferson 25 George Washington 32

Tee Jay had a hard fought battle against George Washington High School of Alexandria on their court. Both teams handled the ball well, but the Alexandria boys came out the victors. The high scorer for our team was Howard Scott with seven points. Jack Causby was the runner up with six points.

Thomas Jefferson 30 Washington and Lee High School 22

Thomas Jefferson defeated Washington and Lee High School on the Arlington school's court. Tee Jay gained a thirteen to six lead in the first quarter but were held scoreless in the second quarter. The Generals rallied and pulled within a single point of the Thomas Jefferson cagers. Again in the third quarter Jefferson's defense began to click, and at the beginning of the last period we were out in front by ten points. Scott captured high scoring honors with eleven points, while Causby was runner up with eight points.

Thomas Jefferson 19—Petersburg 26

Thomas Jefferson was trimmed by the Crimson Wave of Petersburg. The Wavers and Presidents were deadlocked at the intermission, but Petersburg put on a spurt in the second half and broke the tie. Ed Clements led the Petersburg attack by dumping in four field goals and making good a free throw for nine points. Delaney topped the Tee Jay scorers with five points.

Thomas Jefferson 15—Hopewell 34

Hopewell gave Thomas Jefferson a bad thrashing and strengthened their position at the top of the Central District court standing. The Blue Devils ran up a commanding twenty-two to eight lead at the half. During the second half every man on their team played. Bill Hanson was high scorer for us with five points.

Thomas Jefferson 19—Maury 31

On February 23, the night before their triumph over John Marshall, Thomas Jefferson lost to Maury of Norfolk before a scant crowd of one hundred spectators.

Three minutes of the first quarter passed before Maury scored with two successive goals. Cousins sank a foul and followed up Delaney's long shot to make the score 4 to 3. As the Norfolk boys scored two more goals, Jones and Delaney made baskets for T. J., and Hanson sank a foul, which tied the score 8 to 8. At the end of the first half, Maury led 11 to 10.

In the second half Tee Jay momentarily took the lead when Lapkin scored on a long shot, making the score 12 to 11. However, Maury steadily pulled ahead.

Thomas Jefferson 29—Granby 21

Snapping a bad losing streak, the Jefferson cagers defeated Granby. The Jeffs turned in a fine exhibition for the first quarter. Delaney started the scoring with a foul shot. Then Cardoza, Cousins, Hanson, and Jones sank shots from the floor in rapid succession. The Tee Jay players continued to make long shots and snowbirds, and the score was twenty to seven at the half. Granby put up a desperate rally in the second half, but the President five clung to their lead and won.

Thomas Jefferson 14 George Washington 32

George Washington High School of Alexandria defeated Thomas Jefferson's cagers thirty-two to fourteen. The visitors took an early lead and never surrendered it. They held a seventeen to ten advantage at intermission and piled up more points as the Jeffs were scoreless in the third quarter. Cardoza sank a goal and two free throws in the fourth quarter for his team's only points in the last half. Alexandria, led by Clift, went to town again in the second half to end the game eighteen points ahead of Tee Jay.

Thomas Jefferson 23 Washington and Lee 32

Tee Jay lost a hard fought basketball game to Washington and Lee High School. The Generals had a fast team and often surprised everyone by suddenly stealing the ball from a Jefferson player and dashing recklessly down the floor for a snowbird and two points. They led ten to two at the end of the first quarter. In the second quarter T. J., led by Cardoza, Lapkin, and Delaney, almost caught up with the boys from Arlington. Suddenly in the third quarter Bill Hanson turned the tables and stole the ball out of a General's hands, dribbled half the length of the court, sank a shot, and tied the score eighteen to eighteen. However, in the last quarter Washington and Lee forged ahead to win the game handily.

Thomas Jefferson 9—Benedictine 22

A captainless T. J. basketball team, without the services of Robert Granger, 190 pound "ball hawk," engaged Benedictine on February 8. The teams played through four torrid minutes of the first quarter before either five was able to score. The cadets then began to pile up points, and eleven minutes of playing time elapsed before Cousins scored the first point for Thomas Jefferson. A few minutes later Jones sank a field goal, and the half ended with T. J. on the short end of a 12 to 3 score. In the second half our team was again outclassed, and the game ended 22 to 9.

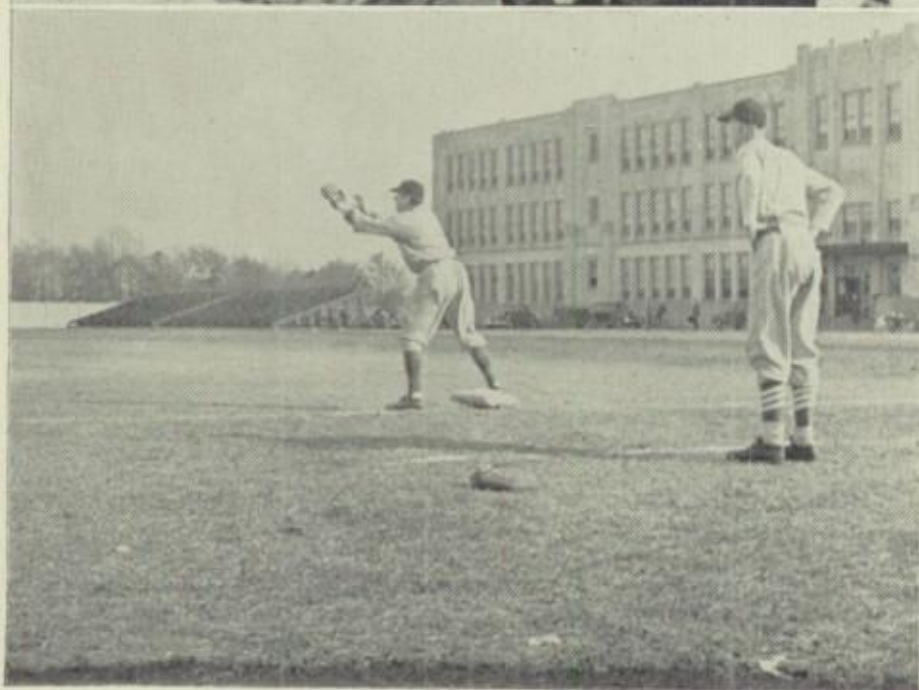

Thomas Jefferson 24—John Marshall 23

Thomas Jefferson successfully broke the tie with John Marshall by defeating them in a post-season game. The game was a very close and fast one, and an extra period was necessary to break a tie in the last quarter. Marvin Cardoza was the Presidents' star by making good seven out of nine free shots. The score at the half was eleven to eight in favor of John Marshall, but the Jeffs began to click and ended the fourth quarter twenty-one to twenty-one. John Marshall was the first to score in the extra period, but Cardoza followed with three free shots, ending the game with Thomas Jefferson twenty-four and John Marshall twenty-three.

BASEBALL

The Thomas Jefferson Baseball Team was the only team from Tee Jay able to defeat John Marshall in a major sport during the year nineteen thirty-eight — thirty-nine. They were the first baseball team to defeat Petersburg twice in one year and the second Thomas Jefferson team to down John Marshall in nine years. Six victories, six losses, and two games called off on account of rain composed the season.

OUTDOOR TRACK TEAM

The nineteen thirty-nine track team, coached by Mr. Fugate and Mr. Strong, was the best in the history of the school. Led by their long-winded captain, Philip Thomas, they were able to close the season with a high percentage of victories. They won the Central District Meet and the triangular meet with Benedictine and Saint Christopher's. John Marshall and Woodberry Forest defeated our harriers by a close score, but they were able to place third in the State Meet. The Duke Invitation Meet climaxed the season, with our team taking fifth place among approximately thirty other schools. Those receiving letters were Philip Thomas; Bill Lugar, Dorsey Wilkinson, Bill Lacy, Bill McClure, Tommy Sydnor, Billy Gray, Horace Jones, and Calvin Marks.

CROSS COUNTRY TRACK TEAM

Thomas Jefferson's Cross Country Track Team ended its season with a percentage of .500. Since Jefferson High of Roanoke is the only other high school in Virginia with a Cross Country track team, our team was forced to run against college freshmen. We defeated the University of Richmond twice and were defeated by William and Mary and Jefferson High of Roanoke once each.

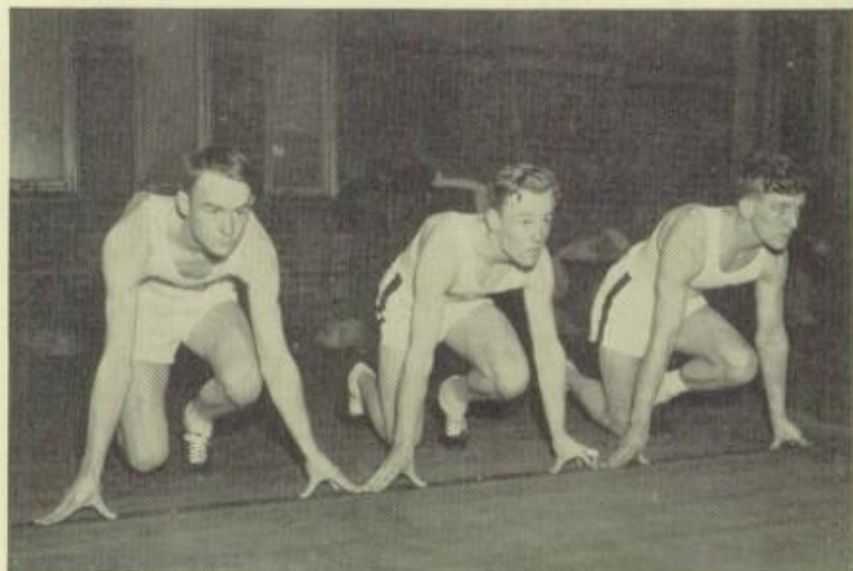

INDOOR TRACK TEAM

The Thomas Jefferson Indoor Track Team gave a very good account of themselves in the two meets in which they were entered. Pinky Hargrave scored three points in the Southern Conference Meet at Chapel Hill, and the team tied for third place in the Catholic University Meet in Washington.

HOCKEY, 1939

The nineteen hundred thirty-nine hockey team is one of which Thomas Jefferson should be proud. The girls deserve much credit for their record of three wins, two ties, and four defeats when they had only five lettermen returning and were forced to travel out to Westhampton College each day for practice. Highlights of the season were the tie with the Westhampton College varsity, the defeat of the "William and Mary Etc." team, and the placing of Buddy Blunt and Patsy Ryland on the All-State Team.

GIRLS' BASKETBALL, 1940

The nineteen hundred forty girls' basketball team, with the spirit of Tee Jay to guide them, completed one of the most successful seasons in the history of girls' basketball at Thomas Jefferson — with good sportsmanship, hard playing, and a record of four wins, one tie, and three losses.

A highlight of the season was the tie game with Westhampton College. After losing one game to Hopewell, the girls came back in a second game for a victory over an otherwise undefeated team.

The Tee Jay lassies also defeated St. Catherine's and Fredericksburg, two strong opponents, while they lost a heart breaker to John Marshall by one point.

GIRLS' TENNIS, 1939

With only one defeat in six matches the Thomas Jefferson racketeers played through a hard schedule. The five veterans led the team through a string of victories and suffered their only defeat at the hands of St. Catherine's.

The large number of players out this season makes the prospects for the nineteen hundred forty team very good, and the Tee Jay lassies hope to turn in another good record.

Is the Seed of Success in You?

That is the question that every young man faces as the time draws near for him to enter the business world. If you are able to save money, you can succeed; if not, you will fail; You may not think so, but you will lose as sure as fate, for the seed of success is not in you. Man has two fundamental weaknesses. His inability to hang on to life as long as he desires and his inability to hang on to his material possessions. Life insurance is the only plan which is certain to offset these two fundamental weaknesses. It not only assists him to save his money but guarantees to him the safest investment and the most secure protection.

A Sure Way To Win A Fortune

THEODORE ROOSEVELT said: "When a man hasn't a substantial fortune and wants one hard enough, he'll take chances to get it. But the only way to get it without taking chances is to take out Life Insurance."

For nearly seventy years we have been selling foolproof fortunes at notably low rates. Let us show you how easy it is to arrange for one to be available when you or your family will need it most.

In Memoriam

MISS LYNE E. MOSELEY

DIED APRIL 22, 1940

With the death of Miss Lyne E. Moseley, on April 22, 1940, Thomas Jefferson and the city lost a valuable teacher and citizen. Miss Moseley possessed character traits admired and esteemed by all. She was a person of sound scholarship, varied interests, and wide sympathies. We hope that we who survive her may emulate the very fine qualities which she possessed.

The Thomas Jefferson Men's Association, organized in the spring of 1938 by the fathers of T. J. students and friends interested in our school, has been instrumental in securing the lot for the girls' hockey field and furthering its development. The association has donated an honor plaque for outstanding students, has demonstrated great interest in athletics, and has shown itself glad to help the school in any project for improvement.

Once again the MONTICELLO is bound in a Malloy Made cover from the David J. Molloy Plant.
